

SANSKAR BHARTI SCHOOL

Summer Holidays Homework

Class: EIGHT (8)

ENGLISH

1. Learn Chapter 1 "Chittor" [*Click on Link to Download*](#)
2. Read the following passages carefully and answer the questions given below:-

Passage-1

Swami Vivekananda's inspiring personality was well known both in India and in America during the last decade of the twentieth century. The unknown monk of India suddenly leapt into at the parliament of religions in Chicago in 1893, at which he represented Hinduism. His vast knowledge of Eastern and Western culture as well as his deep spiritual insight, fervid eloquence, brilliant conversation, broad human sympathy, colorful personality and handsome figure made an irresistible appeal to the many types of Americans who came in contact with him. People who saw or heard Vivekananda even once still cherish his memory after a lapse of more than half a century. In America Vivekananda's mission was the interpretation of India's spiritual culture, especially in its Vedantic setting. He also tried to enrich the religious consciousness of the Americans through the rational and humanistic teachings of the Vedanta philosophy. In America he became India's spiritual ambassador and pleaded eloquently for better understanding between India and the new world in order to create a healthy synthesis of East and West, of Religion and Science.

1. When and where was the parliament of religion held?
2. Mention two qualities of Vivekananda's personality.
3. How did Vivekananda impress people who came in contact with him?
4. How did Vivekananda become India's Spiritual ambassador?
5. Find from the passage the word which means messenger or representative.

Passage-2

One major problem that faces the world today is the rapid growth of population, often referred to as population explosion. Until about 800 AD the world's population stayed below 200 million. Since then it has risen dramatically. The rise has been greatest in the 20th century. The population has recently risen to about six billion. It is three times as large as it was in 1960. It is not so much the actual population as its rate of increase is alarming. Expert predict that by 2020 there will be about ten billion people causing serious problems of hunger, overcrowding and environmental pollution. This enormous increase of population is due to better food, better hygiene and above all, the advances made in

medicine. Rapid developments in modern medicine have conquered many diseases and consequently the death rate has decreased.

6. What major problem is the world facing today and how is it known as?

7. When was highest growth in population recorded?

8. What will be the result of this population explosion?

9. Which factors are responsible for the increase in population?

10. (a) Find from the passage the word which means 'guess'.
